

45-Hour Infant & Toddler Certificate: Methods & Materials

Child, Language, and Social/Emotional Development + Health & Safety + Nutrition + Working with Families

15 Weeks: September 29 - December 15, 2014 6:30 - 9:30 p.m.

This course introduces the major concepts, theories, principles, and research related to the development and care of children birth to age 3. Participants will learn how to create a safe and healthy environment while developing appropriate interaction and communication skills that will assist with learning and development. For family providers, the regulations state those approved to care for more than two infants and toddlers must complete 45 hours of approved training related exclusively to the care of children younger than 2 years old. This class satisfies the regulation.

For questions related to the care of infants and toddlers, contact Joan Johnson, Technical Assistance Specialist at jmjohnson@howardcountymd.gov or 410-313-1432. Other questions, please call (410) 313-1940.
